

Al Ghurair Open Learning Scholars Program - SOLAR OUTREACH TOOLKIT

مؤسسة عبدالله الغرير للتعليم
Abdulla Al Ghurair Foundation for Education

What is the Open Learning Scholars Program at ASU?

Students who qualify for the Program at Arizona State University will have access to :

1. **Full scholarship at ASU** - covers all tuition fees and other **mandatory** university fees for one of the selected online master's degrees. Prerequisite courses are not covered.
2. Access to a **network of Al Ghurair Scholars** studying in the same program
3. **Academic advising**, career counseling, and mentorship through ASU
4. **Promotion** - opportunities to be featured in our communications, website, and social media

Scholars' responsibilities

1. Maintaining a 3.0 cumulative GPA throughout the program
2. Completing the master's degree within 3 years
3. Being responsive to communication with the Foundation throughout the scholarship period and 10 years afterwards.

Find out more about our eligibility criteria on our website

Eligibility Criteria

- Be an Arab citizen who does not have another non-Arab citizenship
- Have a 3.0 or 85% GPA
- Be between 15 and 30 years old (students who are 30 years old or older are not eligible)
- Have financial need and be able to demonstrate this
- Have completed your undergraduate degree (but not completed a master's degree)
- Preference will be given to applicants who have lived in the Arab World for at least 12 years of their life

Call for applications at our partner university
Arizona State University

Not all specializations are readily available in the region and not everyone can travel or take time off work to study. This program will bring online credentials and degrees from top accredited universities to Arab youth anywhere they are - at zero cost to the student. The Open Learning Scholars Program is supporting 33 fully-online Masters programs at Arizona State University.

Visit the website at http://bit.ly/OLS_CAU and complete your scholarship application before the deadline.

Why study online at ASU?

- The 33 programs we support are either STEM-related fields, in-demand in the Arab region, or specializations which are not readily available.
- ASU's online degrees and on-campus degrees are of equal quality.
- Scholars receive the same diploma as students studying on-campus.
- Scholars have high quality interactions with professors and other students.
- Scholars have a success coach to guide them throughout their journey.
- ASU's online completion rates are some of the highest in the world.

We fund 33 Online Masters programs at ASU

Dear [recipient name],

We would like to share with you that AGFE's OLS scholarship deadline for the academic year Summer/Fall-2020 is right around the corner. Submit your AGFE and ASU online applications by October 27th, 2019 at 1:00 pm (local time in Dubai) to be considered for the Summer/Fall-2020 intake.

The Abdulla Al Ghurair Foundation for Education is a privately-funded philanthropic initiative based in Dubai, which aims to support underserved, high-achieving Arab youth by providing access to educational opportunities.

The Al Ghurair Open Learning Scholars Program is offering full scholarships to enroll in one of 33 online master's degrees at Arizona State University (ASU), which has been consistently ranked the US's most innovative university. The funded programs are in the fields of engineering, technology, health, education, and more that are not readily available in the region. Please note the deadline for submitting the AGFE online application is October 27th at 1:00 pm (local time in Dubai).

AGFE's application is fully online and free, but it should be noted that students are expected to apply to ASU **as well as** the scholarship. Please note that there is an application fee of 90\$ for the ASU application, but AGFE applicants **will not have to pay this**. Fill out a fee waiver form on this link:

<https://goo.gl/gech75> and wait for ASU to get in touch with your fee waiver.

Visit the joint program page to receive more information [here](#).

Follow the Abdulla Al Ghurair Foundation for Education on [Facebook](#), [Twitter](#), and [Instagram](#).

We wish all applicants the best of luck!

Best Regards,

حضرة (إسم المستلم)

تحية وبعد،

نود الإعلان عن فرص دراسية جديدة من قبل مؤسسة عبد الله الغرير للتعليم. وهي مبادرة تعليمية خيرية ممولة من قبل القطاع الخاص ومقرها في دبي وتهدف إلى دعم الشباب العربي المتفوق ذوي الدخل المحدود وذلك لدعم متابعة تعليمهم الجامعي.

يقدم برنامج الغرير لطلبة التعليم المفتوح منح دراسية كاملة للالتحاق ببرامج ماجستير عبر الانترنت في جامعة ولاية أريزونا، والتي صنفت على أنها الجامعة الأكثر ابتكاراً في الولايات المتحدة. وتوفر المؤسسة حالياً منحاً دراسية في ٣٣ تخصص جامعي، تشمل مجالات الهندسة والتكنولوجيا والصحة والتعليم والسياحة وغيرها من البرامج النادرة في منطقة الشرق الاوسط. يرجى العلم بأن الموعد النهائي للتقديم لهذه المنحة هو ٢٧ أكتوبر، مساءً بالتوقيت المحلي في دبي.

ملاحظة: التقديم لمنح البرنامج التعليم المفتوح مجاني من خلال [بوابة إلكترونية](#) خاصة بالطلاب ولكن على الطلاب أيضاً التقدم مباشرة إلى الجامعة من خلال الرابط المدرج أدناه والحصول على قبول غير مشروط للدراسة فيها. وللمزيد من المعلومات عن البرنامج ومعايير التأهيل وطريقة التقديم وغيرها يرجى الانضمام إلى ندواتنا الإلكترونية الأسبوعية [سجل هنا](#)

كما نرجو منكم دعم هذه المبادرة من خلال ارسال جميع التفاصيل المذكورة أعلاه الى شبكات الشباب العربي كناشطين وسفراء للتعليم في العالم العربي. يرجى الاطلاع على الروابط أدناه لمزيد من المعلومات:

[قم بزيارة صفحة البرنامج للحصول على مزيد من المعلومات](#)

[تابع مؤسسة عبد الله الغرير للتربية على انستقرام فيسبوك وتويتر](#)

ولكم منا جزيل الشكر والتقدير.

***Interested candidates
should apply before 1pm
(UAE Time) on Sunday, 27th
October 2019***

Need more information?

- For all AGFE/ASU-related questions, email Ahmed Ali at ahmed.k.ali@asu.edu
- Get in touch to arrange an info session for larger groups of interested candidates

Al Ghurair STEM Scholars Program

The [Al Ghurair STEM Scholars Program](#) provides education opportunities at the bachelor's level for high-achieving underserved Arab youth from across the region. As part of the program, scholars receive the needed support and tools to help them thrive.

See [here](#) a short video introducing the Foundation and its programs. Al Ghurair STEM Scholars are empowered to realize their academic and professional goals, with access to:

- Financial support to study a supported STEM program at a partner university
- Mentorship, academic advising, and career support
- Hands-on experiences
- Community service opportunities
- Access to a network of Al Ghurair scholars from all over the Arab World

Please get in touch with the team at applicants@alghurairfoundation.org for more information.
