Mesdames et Messieurs les Chefs des Etablissements de l'UCA

Objet: Lancement du Programme Tomorrow's Leaders Graduate (TLG).
Date limite : 18 Mars 2020

Bonjour Mesdames et Messieurs les Chefs des Etablissements de l'UCA

Prière de trouver ci-dessous une annonce émanant de l'Université Américaine de Beyrouth(AUB) relative au Tomorrow's Leaders Graduate Program (TLG).

Le Tomorrow's Leaders Graduate Program (TLG) est un programme de bourses de maîtrise financé par l'Initiative de partenariat États-Unis-Moyen-Orient (MEPI) .

Le programme d'études supérieures des leaders de demain (TLG) est un leader programme de formation de l'Initiative de partenariat entre le Département d'État américain et le Moyen-Orient (ME PI). Son objectif est de soutenir les étudiants académiquement qualifiés et économiquement méritants dans la région MENA en fournissant des études supérieures et des recherches organisées qui font progresser les connaissances, favorisent la professionnalisation des leaders émergents et contribuent à la mise en œuvre d'initiatives socialement pertinentes.

Aussi ai-je l'honneur de vous demander de bien vouloir assurer la diffusion de cette annonce auprès des personnes intéressées au sein de votre établissement.

Je vous prie de croire, Mesdames et Messieurs, à l'expression de mes meilleurs respects.

We are pleased to announce that the American University of Beirut (AUB) has recently received two awards from the US-Middle East Partnership Initiative - Tomorrow's Leaders Graduate (MEPI-TLG) program. We would appreciate your assistance in spreading the word about this attractive opportunity among potential graduate applicants with a strong leadership direction to address local, national, and regional challenges. We are now receiving applications for admissions in Fall term 2020-21 via this AUB's online submission portal.

The deadline for application submission is March 18, 2020.

ABOUT MEPI-TLG

MEPI-TLG is a graduate leadership training program. Its objective is to support academically qualified and economically deserving students from the MENA region by providing them with graduate master's level education and directed research that aim at advancing knowledge, nurturing leadership skills, and contributing to the implementation of initiatives with societal impact. The first AUB-MEPI-TLG program emphasizes research in the areas of Policymaking, Gender Studies, and Resource Management (PGRM). The second AUB MEPI-TLG program aims to graduate Leaders in Data Science (LiDS) and therefore emphasizes research in the areas of data analytics, machine learning, and artificial intelligence with interdisciplinary applications. A total of 63 graduate leadership trainings are to be awarded to students who apply to eligible master's programs at AUB, spanning the Faculty of Agricultural and Food Sciences (FAFS), Faculty of Arts and Sciences (FAS), Faculty of Health Sciences (FHS), Maroun Semaan Faculty of Engineering and Architecture (MSFEA), and Olayan School of Business (OSB).
